The Halcyon Experience

Day 1: Just for you

A quiet day relaxing at the pool, taking time to add your final finishing touches to your magical event while working on your tan, relaxing and forgetting about reality for a while so that you can be truly present for your special day.

Enjoy things that make you smile – like your own curated ice-cream from our Italian ice cream trolley, a wild swim together in the natural pool floating in the dam, time in the steam room to get rid of the last of the pre-wedding stresses... choose your final flowers from the garden.

Day 2: Welcome to family and friends

This includes a private wine tasting at our sister winery with the best views of Stellenbosch, followed by a 4 course silver service dinner for 10 inside the manor house, prepared for you by your own private chef.

*"The sky is blue above,
and cool the green sod lies below:
it is the hour that claims for love
the halcyon moments as they flow"*

The Celebration

Day 3: The celebration

Tours can be organised for family and friends while you take time out to relax before the celebration. Give us your wish list for the day and we will call on our professional team to make it happen. Anything from a personalised photographic shoot to things that make your heart happy. The Shoot can be styled in the wild meadow, carousel, showman's caravan, retro mini (just married), remembrance garden or any other area that you choose. Sundowner canapes at the water lily covered floating deck with views of the Helderberg. Enjoy the magic of the Looking Glass house lit up at night as your friends and family join you to celebrate the moments that you can't put into words. Toast your happiness with "The Pledge", our award winning wines. Kids can be entertained with gypsy travel stories in the original showman's caravan and on the carousel.

Day 4: Where did the time go

The morning after celebration brunch – hangover burgers, and small dishes to surprise and delight you as you share the magical experience again with friends and family. A quiet evening of designing your own pizza as you take time to savour the best white wines from the region.

*"I see trees of green, red roses too.
I see them bloom, for me and you, and
I think to myself what a wonderful world"*
